Thanks!- I talked to Rich Neville and he had me leave a message for Mike O'Donnell. Rich thought he was most knowledgeable about the residents... Tate Kunkle left me a message and said there isn't a [Ex. 5 - Personal Privacy] I'll see if we can get in touch with [Ex. 5 - Personal Privacy] maybe it is someone's given name but they go by their middle name like [Ex. 5 - Personal Privacy] does...

We have an address for [Ex. 5 - Personal Privacy] in Dimock but do you know a street address. We just got some Test America data from 9/10 and 7/11 that have methane values of 34.5 and 60.+ mg/l respectively and we're trying to see if you know where they are located??
